Our History

Professional Services Inc. was established in 1995 back in New York City, the owner of our company has more than 35 years of experience in the remodeling, renovation, and new construction industry. Over the years we have produced custom high-end quality renovations throughout New York and now in South Florida. All of our tradespeople have been handpicked for the exact portion of the work they will perform on your project. Everything we produce is strictly based on our clients' needs, desires, and preference. Hence, our projects are very customized and authentic.

Our Core values

We believe that the strong desire of presenting the best quality renovations would drive us to lead the market

Vision

Become the top tier remodeling & building contractor in the field

Mission

Produce a high-quality home renovation considering the convenient, functional, and artistic value

Our Journey

Our Services

● ————— Whole House Remodel

● ————— Material Selection Guidance

● ————— Kitchen & Bath Design

● ————— New Home Construction

Portfolio

One Of Our Former Projects

Modern Home Design

Renovating a kitchen and family room

- Designing the entire family room
- Bringing the modern concept for the kitchen
- Helping to bring the whole house together

Co-Op Apartment Renovation

Renovating this apartment was a challenge which turned out spectacular. We combined two units

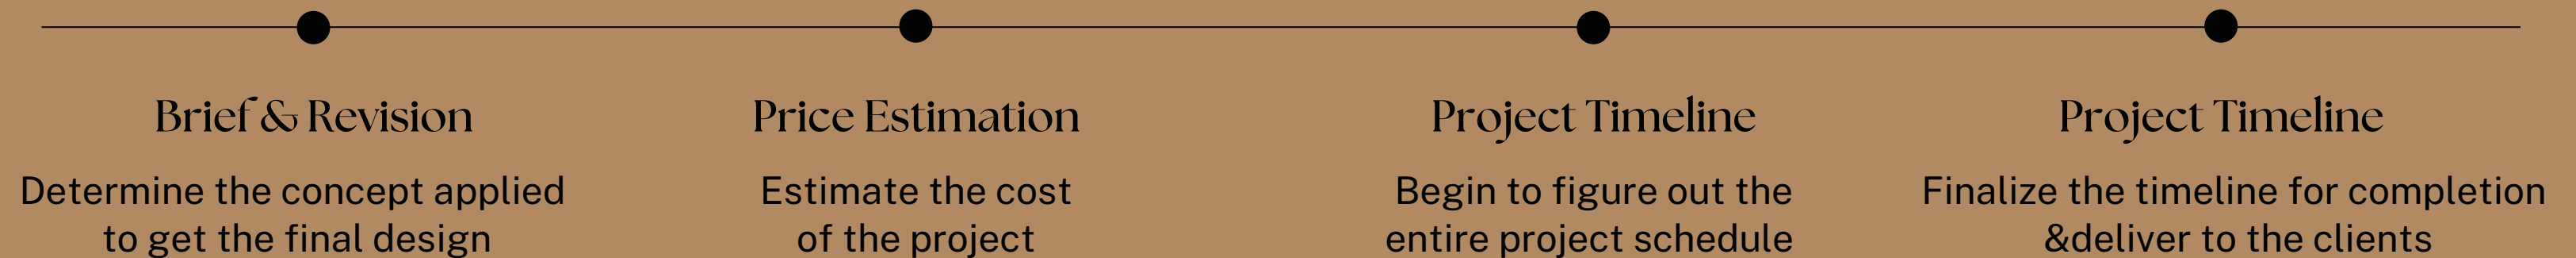

- We worked with another interior design firm
- Some High End materials from Italy used here
- Complete gut renovation of a 4200 sq. ft. space

Project Overview

The project overview is the estimation of the budget and completion time needed for a project that we take on for a client.

Our Process

Discovery

Discussing & Finding the needs of our clients

Visual Collaboration

Delivering project progress to our client's

Creation

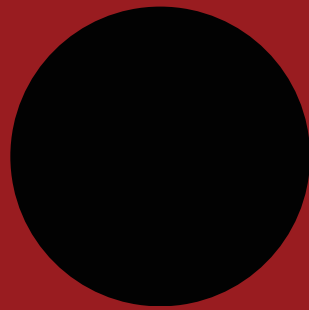

Suggesting products based on the client's wants & needs

Installation

Completing the project and any punch list items

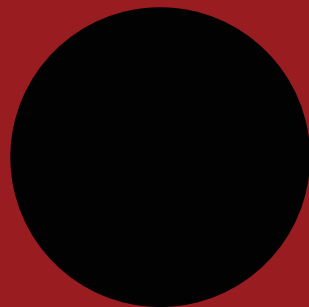

“ Our Client Feedback

I hired Professional Services and Nick Ricci to do a complete renovation of my home in Manhasset, NY. We basically doubled the size of our home. A huge renovation which turned out magnificent.

Tony D

I have worked with many contractors, and needed someone great for a complete gut renovation job. After interviewing a number of contractors, we decided to hire Nick Ricci of Professional Services. We were very glad we did. He's the best contractor I've ever worked with.

Carol Striker
